Pre-Operative Instructions

1. Photos (ex: selfies) or diagrams of biopsied site(s) are recommended for biopsy confirmation.
2. Please continue all prescription medications, *including* blood thinners, unless you have been specifically instructed otherwise by your provider or a member of our office staff.
3. Eat a normal breakfast
4. Bring a snack and reading material
5. Bring a sweater or jacket
6. **DO NOT SCHEDULE** any other commitments on the day of surgery.
7. Having a driver is a good choice, but optional
8. Anticipate waiting for specimen processing (1-3 hours) for *each* Mohs stage. Once all margins are cleared, allow additional time for reconstruction or repair as needed.
9. All surgery is performed under local anesthesia

For after-hours concerns, call:
